1.1 New Hotelsystem Interface

We now also offer a certified POS interface for MEWS.

1.2 Cloud TSE Fiskaltrust

The new Fiskaltrust DE version no longer requires a locally installed component. With its Cloud TSE, Fiskaltrust provides a TSE that is operated completely online. Together with MY POS online printing, you are completely independent of locally installed middleware or software components. If you would like to move from a local server installation to the cloud with MY POS, please contact us. Please note that certain EPSON printers are required for cloud printing.

1.3 Paymethod Change

If you want to change the payment method of a payed transaction, please search for it by using the transaction search. Click on the transaction. Depending on your authorisation, options will open. If it was your own transaction or you have authorisation to process the

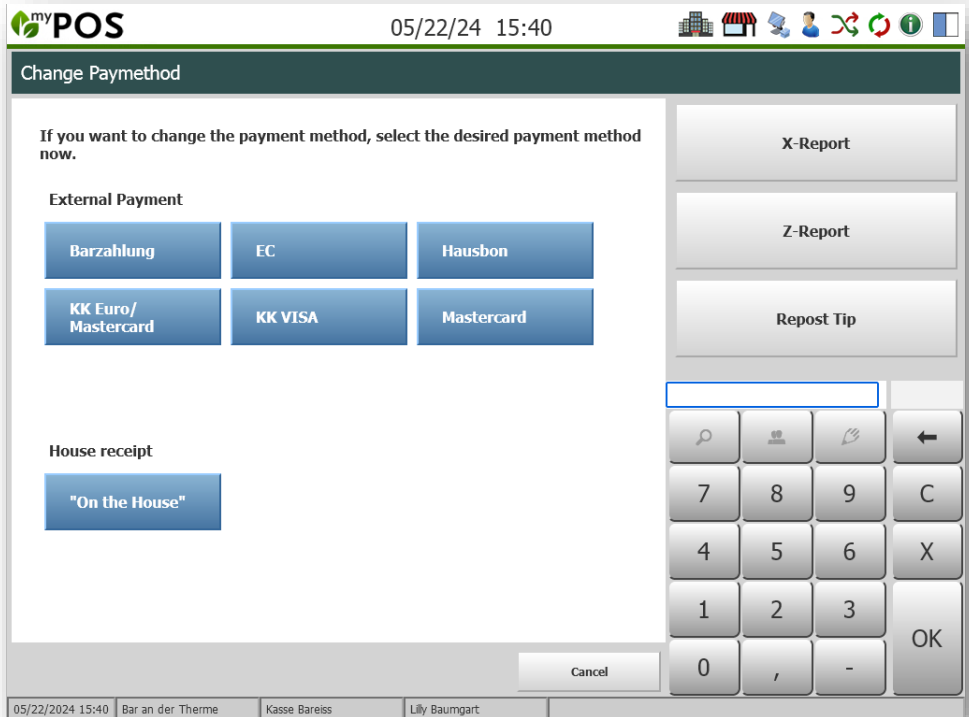

transactions of all service staff ("Deactivate transaction protection"), you will find the Change payment method icon.

The screenshot shows the myPOS interface. At the top left is the logo 'myPOS'. The top center displays the date and time '05/22/24 15:39'. The top right contains several icons: a building, a storefront, a person, a refresh symbol, a circular arrow, an information icon, and a flag. Below the header is a dark green bar with the text 'Please click on the transaction, you will then find options.' The main area features a table with transaction details:

Transaction	Table No.	Date	Time	Total	Payment
3212	10	05/22/2024	15:36	4,20 EUR	EC
Service: Ronja Dambeck					
3367	9	05/22/2024	15:35	19,30 EUR	KK VISA
3365		05/22/2024	15:32	2,50 EUR	EC

Below the table, there are three buttons: 'X-Report', 'Z-Report', and 'Repost Tip'. To the right of the table is a numeric keypad with buttons for search, user, hand, left arrow, numbers 7-9, 4-6, 1-3, 0, comma, dash, and OK. At the bottom left are up and down arrow buttons, and a 'Cancel' button is at the bottom center. The bottom status bar shows: '05/22/2024 15:39 | Bar an der Therme | Kasse Bareiss | Lilly Baumgart'.

Clicking on the icon takes you to the payment screen where you can select the new payment method.

You will be asked for confirmation, after which the previous payment method will be issued as a cancellation and a new receipt will be printed.
